

DA-WM1400

Wall Mount

ALUMINUM WALL MOUNT FOR SECURE AND STABLE INSTALLATION

The DA-WM1400 is a wall mount designed for the stable installation of security cameras. Built with aluminum, it provides high corrosion resistance and long-term structural reliability. It supports various mounting accessories to enable flexible configurations based on site requirements. The white finish ensures a clean integration with the environment, and the 1.3kg design improves installation and maintenance efficiency.
